Chesterfield County Board of Supervisors, Dr. Mark Miller

Dr. Mark Miller presented his background and answered questions presented. There is a lot of growth in the midlothian area and they are looking at many options for a new middle school and building up the Midlothian Village with respect to traffic patterns. With the 2022 bond referendum, they are looking at different sites for a new middle school with possible ground breaking in 2027. Dr. Miller shared his phone number, 804-301-4680, if anyone had any questions or concerns. They are also looking at putting sidewalks on Coalfield Rd to help improve safety. He is working on possibly having the Parks and Rec. taking care of the outsides of schools especially pertaining to playgrounds. He would like to set up a meeting with the Watkins administration, PTA and Parks and Rec to help with the playground plans.

Adjournment

With no further business, the PTA meeting was adjourned at 7:09 p.m.
